North Star Nursery is located on the Polaris House site and is signposted along the on-site access road.

On foot

Whether walking, taking the bus or arriving by train, North Star Nursery is easily accessible on foot via North Star Avenue and from the Town Centre via the Station Bridge and the Station Road underpass. Clients who are not employees of the Research Councils can be issued with nursery user passes to gain unhindered access over the Station Bridge.

By Bus

The Town Centre is the home of Swindon Bus Station and is only a 5-10 minute walk to the nursery via the Station Bridge. There is also a bus stop located at Swindon College on North Star Avenue which is only a short walk away. For full details of buses serving your area and timetables please visit:

<http://www.swindonbus.info/timetables.asp>

By Road

From most approach routes, follow signs for '**Town Centre**'. Then look out for signs for '**North Star**'. When you come off the dual carriageway and into North Star you will see Swindon College on your left. Take the **second exit** (the one after the college). At the next roundabout (with the station and car park in front of you) **turn left** into the Polaris House main entrance road. Then follow the signs to the Nursery.

We have 3 dedicated drop off/pick up parking spaces for use by our clients for the safe arrival and collection of your children. If these spaces are in use and other spaces in the car park are empty then you are also welcome to use any of these to drop off or collect your children.

By Rail

Swindon is served by First Great Western services between London Paddington, Bristol and South Wales.

Polaris House is 2 minutes walk from Swindon station. Instead of taking the main exit out of the station, head for platforms 1 and 3, and go through the ticket barrier next to the newsagent. Go up the steps and across the footbridge. Polaris House is the low-rise brick building to your left as you descend the steps. Turn right at the pedestrian crossing and follow the path towards the nursery.

Buggy parking

The nursery provides a safe indoor area for you to park your buggy or pushchair for the day.

Cycle routes and parking

The nursery provides secure cycle stands along the front of the building for use by staff and clients.

For more information about cycle routes in Swindon visit <http://www.swindonweb.com/index.asp?m=11&s=1456&ss=1464>
