Repeat: Say words again and again

Follow the leader: Watch what your child is doing

Take Turns Give your child time to speak

**Comment:** say what your child sees

Expand: like this: Child 'dog' Adult 'big dog' 'brown dog'

## Talk Time

- Try to spend between five and ten minutes talking to your child every day.
- This should be an opportunity to talk with him or her at a time when no-one else needs attention.
- Spend the time looking at books, singing or just talking and playing.

Try to put into practice taking turns, repeating, following your child's lead, commenting and expanding.
